Dear Ms. Silver:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 510000.

The City of Dallas (the "city") received a request for all e-mails sent or received by a named individual during a specified time frame. You state the city is releasing some information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.107 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime." Gov't Code § 552.108. A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* § 552.301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information pertains to a pending arson investigation being conducted by the Arson and Fire Investigation Division of

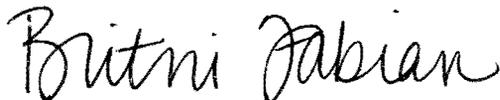

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

the Dallas Fire-Rescue Department. We note this office has held the arson investigation unit of a fire department is a law enforcement entity for purposes of section 552.108. *See* Open Record Decision No. 127 (1976) (Arson Investigation Division of Dallas Fire Department deemed to be law enforcement agency for purposes of statutory predecessor to section 552.108). Thus, based on your representations and our review, we conclude release of the submitted information would interfere with the detection, investigation, or prosecution of crime by a law enforcement entity. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we conclude the city may withhold the submitted information under section 552.108(a)(1) of the Government Code.²
