OR2014-02104

Dear Ms. Brysch:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 513068 (Baytown PD PIR # 1373).

The Baytown Police Department (the "department") received a request for a specified report number. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes such as section 58.007 of the Family Code, which provides, in pertinent part, as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are

separate and distinct from controls to access electronic data concerning adults; and

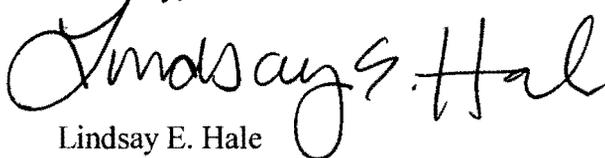

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). Juvenile law enforcement records relating to delinquent conduct or conduct indicating a need for supervision that occurred on or after September 1, 1997, are confidential under section 58.007. *See id.* § 51.03(a), (b) (defining “delinquent conduct” and “conduct indicating a need for supervision”). For purposes of section 58.007(c), “child” means a person who is ten years of age or older and under seventeen years of age at the time of the conduct at issue. *See id.* § 51.02(2). The information at issue involves a child engaged in delinquent conduct or conduct indicating a need for supervision that occurred after September 1, 1997. As such, this information constitutes a juvenile law enforcement record that is confidential pursuant to section 58.007(c). It does not appear that any of the exceptions to confidentiality under section 58.007 apply in this instance. Accordingly, the department must withhold the submitted information in its entirety under section 552.101 of the Government Code in conjunction with section 58.007 of the Family Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Lindsay E. Hale
Assistant Attorney General

¹As our ruling is dispositive, we need not address the department’s remaining argument under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.
