Dear Ms. Harris:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 518107.

The Paris Police Department (the "department") received a request for information pertaining to a specified incident. You state the department has released some of the responsive information. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle title or registration issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130(a)(2). Upon review, we find the submitted video recordings contain motor vehicle record information. You state the department lacks the technological capability to redact the confidential information in the video recordings. Accordingly, the department must withhold the submitted video recordings in their entirety under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
