Dear Ms. Allen:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 515237 (Ref. No. 63846).

The City of Rowlett (the "city"), which you represent, received a request for records pertaining to a specified dog. You state most of the responsive information has been released to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 826.0211 of the Health and Safety Code, which provides in part:

- (a) Information contained in a rabies vaccination certificate or in any record compiled from the information contained in one or more certificates that identifies or tends to identify an owner or an address, telephone number, or other personally identifying information of an owner of a vaccinated animal is confidential and not subject to disclosure under [the Act]. The information contained in the certificate or record may not include the social security number or the driver's license number of the owner of the vaccinated animal.

Health & Safety Code § 826.0211(a). We note section 826.0211 is applicable only to information contained in a rabies vaccination certificate or in a record compiled from information contained in one or more rabies vaccination certificates. The submitted information consists of a rabies vaccination certificate. Therefore, the owner's identifying information within the certificate, which we have marked, must be withheld under section 552.101 of the Government Code in conjunction with section 826.0211 of the Health and Safety Code. However, we find the remaining information is not made confidential by section 826.0211, and may not be withheld under section 552.101 of the Government Code on that basis. As you raise no other exceptions for the remaining information, the remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Michelle R. Garza
