Re: Request for the call sheet/call for service report, supplemental reports, any photographs or video recordings, statements, notes, inspection of vehicles and/or measurements taken at the scene or in connection with the motor vehicle accident in Report No. 201346501

Dear Ms. Harris:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 521161.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You have released the call for service report and claim the video recording must be withheld from the requestor in its entirety pursuant to section 552.130 of the Government Code because you lack the technological capability to redact the motor vehicle record information from the recording. Thus, we agree you must withhold the video recording in accordance with section 552.130 of the Government Code.

For more information on the cited exception, please refer to the open government information on our website at <https://www.oag.state.tx.us/open/memorulings.shtml>. You may also contact our Open Government Hotline at 1-877-OPENTEX.
