OR2014-03763

Dear Ms. Lindsay:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 518325.

The City of Ferria (the "city"), which you represent, received a request for a specified incident report.¹ You claim the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 58.007 of the Family Code. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997, are confidential under section 58.007(c), which provides as follows:

Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

¹You state the city asked for and received clarification of the request. See Gov't Code § 552.222(b)(providing that if request for information is unclear, governmental body may ask requestor to clarify the request); see also *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for public information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

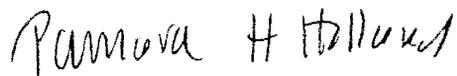

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). For purposes of section 58.007(c), a “child” is defined as a person ten years of age or older and under seventeen years of age. *Id.* § 51.02(2)(A). Section 58.007(c) is not applicable to information that relates to a juvenile as a complainant, victim, witness, or other involved party; it is only applicable to juveniles listed as suspects or offenders. *See id.* §§ 58.007, 51.03 (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of section 58.007). We have reviewed the submitted information and find that the submitted report does not identify a juvenile suspect or offender for purposes of section 58.007. Accordingly, we find that you have not demonstrated the applicability of section 58.007(c) of the Family Code. Thus, the city may not withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code. As you raise no further exceptions to disclosure, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Tamara H. Holland
