Dear Mr. Moore:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 517215.

The City of Roanoke (the "city"), which you represent, received a request for information pertaining to a specified incident. You state the city has released some of the requested information, including the police officer's crash report pursuant to section 550.065 of the Transportation Code. *See* Transp. Code § 550.065(c)(4) (providing for release of accident report if requestor provides two of following three pieces of information: (1) date of accident, (2) name of any person involved in accident, and (3) specific location of accident). You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Upon review, we find the audio portions of the submitted video recordings contain motor vehicle record information. We note the audio portions of the video recordings are intertwined with the video portions of the recordings. You state the city lacks the technological capability to redact the confidential information in the video recordings. Accordingly, the city must withhold the submitted

video recordings in their entireties under section 552.130 of the Government Code. See Open Records Decision No. 364 (1983).
