Mr. James Kopp
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283-3966

OR2014-04629

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 517931 (COSA File No. W022811).

The City of San Antonio (the "city") received a request for the pursuit evaluation report, video recordings, and radio transmissions pertaining to a specified vehicle chase. You claim that the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the city's obligations under the Act. Section 552.301 of the Government Code describes the procedural obligations placed on a governmental body that receives a written request for information it wishes to withhold. Pursuant to section 552.301(e), the governmental body is required to submit to this office within fifteen business days of receiving the request (1) general written comments stating the reasons why the state exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See* Gov't Code § 552.301(e). You state the city received the request for information on January 3, 2014. We understand the city was closed on January 20, 2014 in observance of Martin Luther King, Jr. Day. We note this office does not

count holidays for purposes of calculating a governmental body's deadlines under the Act. Thus, the fifteen-business-day deadline was January 27, 2014. However, the envelope in which you submitted the information required by section 552.301(e) bears a postmark of January 28, 2014. *See id.* § 552.308 (prescribing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Consequently, we find the city failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of the Act results in the legal presumption the requested information is public and must be released unless the governmental body demonstrates a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); Open Records Decision No. 319 (1982). The presumption information is public under section 552.302 can be overcome by demonstrating that the information is confidential by law or third-party interests are at stake. *See* Open Records Decision Nos. 630 at 3 (1994), 325 at 2 (1982). You claim an exception to disclosure under section 552.108 of the Government Code, which is a discretionary exception that protects a governmental body's interests and may be waived. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). Nevertheless, the interests under section 552.108 of a governmental body other than the one that failed to comply with section 552.301 can provide a compelling reason for non-disclosure under section 552.302. *See* Open Records Decision No. 586 at 2-3 (1991). You provide a representation that the Bexar County Criminal District Attorney's Office (the "district attorney's office") asserts the information at issue should be withheld under section 552.108 of the Government Code. Therefore, we will consider whether the information at issue may be withheld on behalf of the district attorney's office under section 552.108.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The district attorney's office states it objects to disclosure of the submitted information because its release would interfere with a pending criminal prosecution. Based on this representation and our review, we conclude the city may withhold the submitted information under section 552.108(a)(1) of the Government Code. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates

law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
