OR2014-04714

Dear Ms. Graham:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 517423.

The Mesquite Police Department (the "department") received a request for the police reports, call sheets, property reports, and dash camera videos pertaining to two specified incidents. You state you have released some information to the requestor. You claim the remaining requested information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information submitted in Exhibit #2 pertains to a pending criminal investigation. Based on your representation, we conclude the release of the information within Exhibit #2 would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). As such, section 552.108(a)(1) of the Government Code is applicable to the information submitted in Exhibit #2.

However, as you acknowledge, section 552.108 does not except from disclosure basic information about a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. 531 S.W.2d at 186–87. This information includes, but is not limited to, a sufficient portion of the narrative to include a detailed description of the offense. *See* Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of basic information, the department may withhold the information submitted in Exhibit #2 under section 552.108(a)(1) of the Government Code.<sup>1</sup>

Section 552.101 of the Government Code excepts “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. This section encompasses section 411.083 of the Government Code, which pertains to criminal history record information (“CHRI”) generated by the National Crime Information Center (“NCIC”) or by the Texas Crime Information Center (“TCIC”). Title 28 of part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual law with respect to CHRI it generates. *Id.* Section 411.083 of the Government Code deems confidential CHRI that the Department of Public Safety (“DPS”) maintains, except that the DPS may disseminate this information as provided in chapter 411, subchapter F of the Government Code. *See* Gov't Code § 411.083.

Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090 - .127. Thus, any CHRI generated by the federal government or another state may not be made available to the requestor except in accordance with federal regulations. *See* Open Records Decision No. 565 (1990). Furthermore, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 of the Government Code in conjunction with Government Code chapter 411, subchapter F. You state the information you have indicated in the video recording in Exhibit #3 constitutes CHRI generated by TCIC and NCIC. Accordingly, the department must withhold this information pursuant to section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code.

Section 552.130 of the Government Code provides that information relating to a motor vehicle driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130(a). Accordingly, the department must withhold the motor

vehicle record information you have indicated in the video recording in Exhibit #3 under section 552.130 of the Government Code.<sup>2</sup>

In summary, except for basic information, the department may withhold Exhibit #2 under section 552.108(a)(1) of the Government Code. The department must withhold the CHRI it indicated in the video recording in Exhibit #3 under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code. The department must withhold the motor vehicle record information it indicated in the video recording in Exhibit #3 under section 552.130 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
