Dear Ms. Graham:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 519698.

The Mesquite Police Department (the "department") received a request for information pertaining to a specified incident. You claim some of the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 58.007 of the Family Code, which provides in pertinent part as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

...

(e) Law enforcement records and files concerning a child may be inspected or copied by a juvenile justice agency as that term is defined by Section 58.101, a criminal justice agency as that term is defined by Section 411.082, Government Code, the child, and the child's parent or guardian.

...

(j) Before a child or a child's parent or guardian may inspect or copy a record or file concerning the child under Subsection (e), the custodian of the record or file shall redact:

(1) any personally identifiable information about a juvenile suspect, offender, victim, or witness who is not the child; and

(2) any information that is excepted from required disclosure under [the Act], or other law.

Fam. Code § 58.007(c), (e), (j). Juvenile law enforcement records relating to delinquent conduct that occurred on or after September 1, 1997 are confidential under section 58.007(c). *See id.* § 51.03 (defining "delinquent conduct"). For purposes of section 58.007(c), "child" means a person who is ten years of age or older and under seventeen years of age at the time of the incident. *See id.* § 51.02(2). The submitted information involves juveniles engaged in delinquent conduct that occurred after September 1, 1997. As such, this information is confidential under section 58.007(c) of the Family Code.

However, in this instance, the requestor is the parent of one of the juvenile offenders listed in the information at issue. Therefore, this requestor has a right to inspect information concerning her juvenile child under section 58.007(e). *Id.* § 58.007(e). Accordingly, the department may not withhold the submitted information from this requestor under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code. However, any personally identifiable information concerning other juvenile suspects, offenders, victims, or witnesses must be redacted under section 58.007(j)(1). *See id.*

§ 58.007(j)(1). Accordingly, the department must withhold the identifying information of the other juveniles you have marked pursuant to section 552.101 in conjunction with section 58.007(j)(1).¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
