Dear Ms. Kostbar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 518179 (HCAD Reference No. 14-1024).

The Harris County Appraisal District (the "district") received a request for multi-inventory detail reports for a specified account number for specified years. You state you do not have information responsive to a portion of the request.¹ You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See Gov't Code* § 552.130. Accordingly, the district must withhold the information we have marked under section 552.130 of the Government Code. However, we find no portion of the remaining information consists of motor vehicle record information for the purposes of section 552.130 of the Government Code, and the district

¹The Act does not require a governmental body to release information that did not exist when it received a request or to create responsive information. *See Economic Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 555 at 1 (1990), 452 at 3 (1986), 362 at 2 (1983).

may not withhold any of the remaining information on that basis. As you raise no other exceptions to disclosure, the district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
