Dear Mr. Miles:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 519131 (DFPS ORR 012720147AY).

The Texas Department of Family and Protective Services (the "department") received a request for information pertaining to a specified administrative review. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential. Section 40.005 of the Human Resources Code authorizes the department to adopt rules for the purpose of preserving the confidentiality of information and provides in part:

(a) The department shall establish and enforce rules governing the custody, use, and preservation of the department's records, papers, files, and communications.

(b) The department shall prescribe safeguards to govern the use or disclosure of information relating to a recipient of a department service or to an

investigation the department conducts in performing its duties and responsibilities. The safeguards must be consistent with the purposes of the department's programs and must comply with applicable state and federal law and department rules.

Hum. Res. Code § 40.005(a)-(b). Rules governing the confidentiality of department investigation and facility monitoring records are found at chapter 745 of title 40 of the Texas Administrative Code. The department promulgated section 745.8485 of title 40 of the Administrative Code to make certain child care facility license investigations and records confidential. Section 745.8485 provides in relevant part:

(a) All investigations are confidential until we complete the investigation and make a finding.

...

(c) The following information relating to a completed investigation of child abuse or neglect is confidential and not available to the general public, except as provided under this chapter and applicable federal or state law:

- (1) The description of the allegation of child abuse or neglect;
- (2) The identity of the person making the allegation; [and]
- (3) The files, reports, records, communications, audiotapes, videotapes, and working papers used or developed during an investigation[.]

40 T.A.C. § 745.8485(a), (c)(1)-(3). You explain the information you have marked pertains to investigations of alleged child abuse or neglect at a licensed child care facility, so as to be confidential under section 745.8485(c)(3). You also state the information at issue is not subject to disclosure under the provisions of chapter 745 of title 40 of the Texas Administrative Code that govern information that must be maintained in the department's monitoring files. *See id.* §§ 745.8481 (information in monitoring file is for most part available to general public), .8487 (department may release to public only those portions of abuse or neglect investigation record that must be filed in monitoring file), .8489 (except for certain specified information, department will maintain all records of abuse or neglect investigation separate from monitoring file). Based on your representations and our review, we find the information at issue falls within the scope of section 745.8485(c). You state the requestor is not one of the enumerated persons eligible to receive copies of the information at issue under section 745.8491 of title 40 of the Texas Administrative Code. *Id.* § 745.8491. Therefore, we conclude the department must withhold the information you have marked under section 552.101 in conjunction with section 745.8485 of title 40 of the Texas Administrative Code.

The department promulgated section 745.8483 of title 40 of the Administrative Code to make confidential the name of an individual who makes a report that results in a child care facility license investigation. *Id.* § 745.8483. You assert the information you have marked in the remaining information consists of information identifying individuals who made reports that resulted in investigations of child care operations. Upon review, we find the information you have marked is confidential pursuant to section 745.8483. Therefore, the department must withhold the information you have marked under section 552.101 of the Government Code in conjunction with section 745.8483 of title 40 of the Texas Administrative Code.

In summary, the department must withhold the information you have marked under section 552.101 of the Government Code in conjunction with sections 745.8483 and 745.8485 of title 40 of the Texas Administrative Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
