

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

April 2, 2014

Ms. J. Diaz  
Assistant City Attorney  
Criminal Law and Police Section  
City of Dallas  
1400 South Lamar  
Dallas, Texas 75215

OR2014-05442

Dear Ms. Diaz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 523144 (ORR# 2014-01585).

The City of Dallas (the "city") received a request for information pertaining to a specified incident, including the police report, dash cam videos, officers' videos, and 9-1-1 calls. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.

Initially, we must address the city's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See id.* § 552.301(b). Further, pursuant to section 552.301(e), a governmental body must submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the

documents. *See id.* § 552.301(e). You state the city received the request for information on February 19, 2014. You do not inform us the city was closed for any business days between February 19, 2014, and March 12, 2014. Accordingly, you were required to provide the information required by section 552.301(b) by March 5, 2014. Moreover, you were required to provide the information required by section 552.301(e) by March 12, 2014. However, the envelope in which the city provided the information required by sections 552.301(b) and 552.301(e) was postmarked March 14, 2014. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Accordingly, we conclude the city failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless the governmental body demonstrates a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); *see also* Open Records Decision Nos. 319 (1982), 586 (1991), 630 (1994). This office has held a compelling reason exists to withhold information when third-party interests are at stake or when information is made confidential by another source of law. *See* Open Records Decision No. 150 (1977) (construing predecessor statute). Although the city claims an exception to disclosure under section 552.108 of the Government Code, this section is a discretionary exception to disclosure that protects a governmental body's interests and may be waived. *See* Open Records Decision No. 177 (1977) (governmental body may waive statutory predecessor to section 552.108); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). However, the need of a governmental body other than the agency that is seeking an open records decision to withhold information under section 552.108 of the Government Code can provide a compelling reason to withhold information from disclosure. *See* ORD 586 at 3. Because you inform us, and provide documentation showing, the Dallas County District Attorney's Office (the "district attorney's office") objects to the release of the information at issue, we will consider whether the city may withhold the submitted information under section 552.108 on behalf of the district attorney's office.

Next, we note you have not submitted the requested police report pertaining to the specified incident. Although you state the city has submitted a representative sample of the requested information, we find the submitted information is not representative of the requested police report. Please be advised, this open records letter ruling applies only to the types of information you have submitted for our review. This ruling does not authorize the city to withhold any information that is substantially different from the types of information you submitted to this office. *See* Gov't Code § 552.302 (where request for attorney general

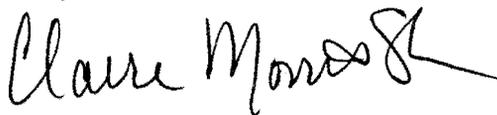

decision does not comply with requirements of Gov't Code § 552.301, information at issue is presumed to be public). Accordingly, to the extent a responsive police report existed on the date the city received the request, we assume the city has released it. If the city has not released any such information, it must do so at this time. *See id.* §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You have submitted a statement from the district attorney's office demonstrating, the submitted information relates to a pending criminal case. Based upon this representation, we conclude release of the submitted information will interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, we find the city may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
