Dear Mr. Anderle:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 523691.

The Euless Police Department (the "department"), which you represent, received a request for information related to a specified arrest. You state the department will withhold motor vehicle record information pursuant to section 552.130(c) of the Government Code and social security numbers under section 552.147(b) of the Government Code.<sup>1</sup> You also state the department will withhold certain information pursuant to Open Records Decision No. 684 (2009).<sup>2</sup> You claim the submitted information is excepted from disclosure under

---

<sup>1</sup>Section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See id.* § 552.147(b).

<sup>2</sup>Open Records Decision No. 684 is a previous determination to all governmental bodies authorizing them to withhold certain information without the necessity of requesting an attorney general decision.

section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.<sup>3</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, including section 58.007 of the Family Code, which makes confidential juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997. Section 58.007(c) reads as follows:

Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). For purposes of section 58.007(c), "child" means a person who is ten years of age or older and under seventeen years of age at the time of the reported conduct. *See id.* § 51.02(2). The submitted information involves juvenile delinquent conduct that occurred after September 1, 1997. *See id.* § 51.03 (defining "delinquent conduct" for purposes of Fam. Code § 58.007). Thus, this information is confidential under section 58.007(c). It does not appear that any of the exceptions in section 58.007 apply. Therefore, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code.

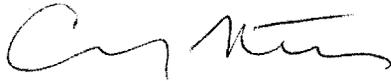

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

---

<sup>3</sup>We note the department did not comply with the requirements of section 552.301 of the Government Code. *See* Gov't Code § 552.301(b), (e). Nonetheless, section 552.101 of the Government Code is a mandatory exception that can provide a compelling reason to overcome the presumption of openness caused by failure to comply with section 552.301. *See id.* §§ 552.007, .302. Thus, we will consider the department's claim.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Cindy Nettles
