Dear Ms. Alexander:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 524558.

The Texas Department of Transportation (the "department") received a request for accident reports related to a specified location. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(c)(4) provides for release of accident reports to a person who provides two of the following three pieces of

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the department or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute. The submitted information consists of CR-3 Texas Peace Officer's Crash Reports. In this instance, the requestor has not provided the city with two of the three pieces of required information pursuant to section 550.065(c)(4). Accordingly, the department must withhold the submitted CR-3 reports under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.<sup>2</sup>
