Mr. James Kopp
Assistant City Attorney
City of San Antonio

OR2014-05993

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 523878 (COSA File No. W024984).

The City of San Antonio (the "city") received a request for police report number 14031263. You claim the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes, such as section 261.201(a) of the Family Code, which provides, in relevant part:

(a) [T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

¹We note the city did not comply with the requirements of section 552.301 of the Government Code. See Gov't Code § 552.301(b). Nonetheless, section 552.101 of the Government Code is a mandatory exception that can provide a compelling reason to overcome the presumption of openness caused by failure to comply with section 552.301. See *id.* §§ 552.007, .302. Thus, we will consider the city's claim.

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). We note the submitted information was used or developed in an investigation of alleged child abuse or neglect. *See id.* § 261.001(1), (4) (defining “abuse” and “neglect” for purposes of Fam. Code chapter 261). Accordingly, we find this information falls within the scope of section 261.201 of the Family Code. You have not indicated the city has adopted a rule that governs the release of this type of information; therefore, we assume no such regulation exists. Given that assumption, we conclude the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code. *See* Open Records Decision No. 440 at 2 (1986) (addressing predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
