Ms. Natasha Brooks

City of Midland

Dear Ms. Brooks:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 525076 (City Request ID# 14019).

The City of Midland (the "city") received a request for report number MP120301266. You state the city has released some of the requested information. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, such as chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Section 772.318 of the Health and Safety Code applies to an emergency communication district for a county with a population of more than 20,000 and makes confidential the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a 9-1-1 service supplier. *See* Open Records Decision No. 649 (1996). You indicate the city is part of an emergency communication district that is subject to section 772.318 of the Health and Safety Code. You have marked a telephone number that the city seeks to withhold. We conclude the city must withhold the marked telephone number under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code if it consists of the originating telephone

number furnished by a 9-1-1 service supplier. If the marked information does not consist of the originating telephone number provided by a 9-1-1 service supplier, it may not be withheld under section 552.101 in conjunction with section 772.318. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
