Ms. Janis Kennedy Hampton
City Attorney
City of Bryan
P.O. Box 1000
Bryan, Texas 77805-1000

OR2014-06415

Dear Ms. Hampton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 520060.

The City of Bryan (the "city") received a request for information pertaining to a specified accident. You state you will release some information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the information in Exhibit C was obtained pursuant to a grand jury subpoena. The judiciary is expressly excluded from the requirements of the Act. Gov't Code § 552.003(1)(B). This office has determined that a grand jury, for purposes of the Act, is a part of the judiciary, and therefore not subject to the Act. Open Records Decision No. 411 (1984). Further, records kept by a governmental body that is acting as an agent for a grand jury are considered records in the constructive possession of the grand jury, and therefore are also not subject to the Act. Open Records Decisions Nos. 513 (1988), 411 (1984), 398 (1983). *But see* Open Records Decision No. 513 at 4 (1988) (defining limits of judiciary exclusion). Therefore, to the extent the information at issue is held by the city as an agent of the grand jury, this information consists of records of the judiciary not subject to disclosure under the Act and we do not address its public availability. To the extent the

information at issue is not held by the city as an agent of the grand jury, we will address your arguments against disclosure of this information.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by other statutes. The submitted information contains a CR-3 accident report form that was completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer’s accident report). Section 550.065(b) states that except as provided by subsection (c) or (e), accident reports are privileged and confidential. *See id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute. *Id.* The requestor has not provided the city with two of the three pieces of information. Thus, the city must withhold the accident report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to an active criminal investigation and release of the information would interfere with that investigation. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Based on these representations and our review, we conclude section 552.108(a)(1) of the Government Code is applicable. Accordingly, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.¹

In summary, to the extent the information in Exhibit C is held by the city as an agent of the grand jury, this information consists of records of the judiciary not subject to disclosure under the Act and need not be released to the requestor. The city must withhold the submitted CR-3 accident report under section 552.101 of the Government Code in

conjunction with section 550.065(b) of the Transportation Code. The city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
