

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

May 1, 2014

Mr. Daniel Ortiz
Assistant City Attorney
City of El Paso
P.O. Box 1890
El Paso, Texas 79950-1890

OR2014-07298

Dear Mr. Ortiz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 526160 (El Paso Ref. No. 14-1026-4208).

The El Paso Police Department (the "department") received a request for information related to a specified motor vehicle accident. You state the department has released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Section 552.108 of the Government Code provides, in part:

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from the requirements of Section 552.021 if:

(1) release of the information would interfere with the detection, investigation, or prosecution of crime;

...

¹Although you also raise section 552.101 in conjunction with common-law privacy and constitutional privacy for the submitted information, you provide no arguments explaining how these doctrines are applicable to the information at issue. Therefore, we assume you no longer assert these doctrines. See Gov't Code §§ 552.301, .302.

(b) An internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution is excepted from the requirements of Section 552.021 if:

(1) release of the internal record or notation would interfere with law enforcement or prosecution[.]

Gov't Code § 552.108(a)(1), (b)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), (b)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

You state the submitted information pertains to an ongoing criminal investigation. We note, however, the submitted information includes DIC-24 Statutory Warning forms and a DIC-25 Notice of Suspension form. Because copies of these documents were provided to the arrestee, we find you have not demonstrated how release of the forms, which we have marked, will interfere with the detection, investigation, or prosecution of crime. You further have not demonstrated how release of these forms would interfere with law enforcement or prosecution. Accordingly, the DIC-24 and DIC-25 forms may not be withheld under subsection 552.108(a)(1) or subsection 552.108(b)(1). However, based on your representations and our review, we conclude the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, subsection 552.108(a)(1) is applicable to the remaining information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the DIC-24 and DIC-25 forms and basic information, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code.

We note one of the DIC-24 forms contains information subject to section 552.130 of the Government Code. Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.² *See* Gov't Code § 552.130. Accordingly, the department

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.³

In summary, with the exception of the DIC-24 and DIC-25 forms and basic information, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code. In releasing the DIC-24 and DIC-25 forms, the department must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. Basic information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
