OR2014-07912

Dear Ms. Kostbar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 522127 (HCAD Reference No. 13-4083).

The Harris County Appraisal District (the "district") received a request for 2013 working papers for a specified account. You state you will release some of the requested information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted representative sample of information.²

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 22.27 of the Tax Code, which provides in pertinent part:

¹We note, and you acknowledge, the district did not comply with section 552.301 of the Government Code in requesting this decision. *See* Gov't Code § 552.301(b). Nonetheless, because section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will consider its applicability to the submitted information. *See id.* §§ 552.007, .302, .352.

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than those submitted to this office.

(a) Rendition statements, real and personal property reports, attachments to those statements and reports, and other information the owner of property provides to the appraisal office in connection with the appraisal of the property, including income and expense information related to a property filed with an appraisal office and information voluntarily disclosed to an appraisal office or the comptroller about real or personal property sales prices after a promise it will be held confidential, are confidential and not open to public inspection. The statements and reports and the information they contain about specific real or personal property or a specific real or personal property owner and information voluntarily disclosed to an appraisal office about real or personal property sales prices after a promise it will be held confidential may not be disclosed to anyone other than an employee of the appraisal office who appraises property except as authorized by Subsection (b) of this section.

Tax Code § 22.27(a). You indicate the district is an “appraisal office” for purposes of section 22.27(a). You state the submitted information was furnished to the district by a property owner in connection with the appraisal of property. You state none of the exceptions in section 22.27(b) apply in this instance. Based on your representations and our review, we find the submitted information is confidential under section 22.27 of the Tax Code and must be withheld under section 552.101 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
