Dear Ms. Freeland:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 522918 (PIR No. 14-0806).

The Texas Department of Public Safety (the "department") received a request for all information related to a specified 9-1-1 call. You state you have released some information to the requestor. You claim some of the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(a) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime." Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information you have marked relates to an ongoing investigation, and release of that information would interfere with the investigation and prosecution of the case. Based upon this representation, we conclude that the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law

enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, you may withhold the information you have marked under section 552.108(a)(1) of the Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See Gov't Code § 552.130*. Upon review, we find some of the information you have marked consists of motor vehicle record information subject to section 552.130. However, you have failed to demonstrate any of the remaining information you have marked, which we have marked for release, is subject to section 552.130. Therefore, except for the information we have marked for release, the department must withhold the motor vehicle record information you have marked under section 552.130 of the Government Code.

In summary, the department may withhold the information you have marked under section 552.108(a)(1) of the Government Code. Except for the information we have marked for release, the department must withhold the motor vehicle record information you have marked under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
