

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

May 16, 2014

Ms. LeAnn M. Quinn
City Secretary
City of Cedar Park
450 Cypress Creek Road
Cedar Park, Texas 78613

OR2014-08422

Dear Ms. Quinn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 523051 (City Reference No. CS14-071).

The City of Cedar Park (the "city") received a request for the vendor responses pertaining to a specified request for proposals. Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of third parties. Accordingly, you state, and provide documentation showing, you notified AriaMedia Corporation; LBTJ Group, LLC; Mind Ecology; Morehead, Dotts, Rybak; and Rhyme & Reason Design of the request for information and of their right to submit arguments to this office as to why the submitted information should not be released. *See Gov't Code* § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

Initially, we note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why requested information relating to it should be withheld from disclosure. *See Gov't Code* § 552.305(d)(2)(B). As of the date of this letter, this office has not received comments from any of the third parties explaining why their information should not be released to the requestor. Thus, we have no basis to conclude that the release of any portion of the requested information would implicate the interests of any of the third parties. *See id.*

§ 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, we conclude the city may not withhold any of the submitted information on the basis of any interest the third parties may have in the information. Upon our review, we note portions of the submitted information are subject to sections 552.130 and 552.136 of the Government Code; thus, we will address the applicability of these exceptions to the submitted information.¹

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release. Gov't Code § 552.130(a). We conclude the city must withhold the information we have marked under section 552.130.

Section 552.136 of the Government Code states, "Notwithstanding any other provision of this chapter, a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." *Id.* § 552.136(b); *see also id.* § 552.136(a) (defining "access device"). This office has determined an insurance policy number is an access device number for the purposes of section 552.136. Accordingly, the city must withhold the insurance policy numbers we have marked under section 552.136.

We note some of the remaining information may be protected by copyright. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; *see* Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit.

In summary, the city must withhold the information we have marked under sections 552.130 and 552.136 of the Government Code. The city must release the remaining information; however, any information protected by copyright may only be released in accordance with copyright law.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

¹The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Sarah Casterline
