Mr. Charles D. Olson
Counsel for the City of Meridian
Haley & Olson, P.C.

Waco, Texas 76710

OR2014-08632

Dear Mr. Olson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 523455.

The City of Meridian (the "city"), which you represent, received a request for records pertaining to physical and mental evaluations of, and training received by, officers of the city's police department; certifications of radar accuracy and calibration; and information regarding a specified citation. You state the city is providing most of the requested information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Gov't Code § 552.101. Section 552.101 encompasses information made confidential by section 1701.306 of the Occupations Code. Section 1701.306 makes confidential L-2 Declaration of Medical Condition and L-3 Declaration of Psychological and Emotional Health forms required by the Texas Commission on Law Enforcement (the "commission").² Former section 1701.306 provides, in part:

(a) The commission may not issue a license to a person as an officer or county jailer unless the person is examined by:

(1) a licensed psychologist or by a psychiatrist who declares in writing that the person is in satisfactory psychological and emotional health to serve as the type of officer for which a license is sought; and

(2) a licensed physician who declares in writing that the person does not show any trace of drug dependency or illegal drug use after a physical examination, blood test, or other medical test.

(b) An agency hiring a person for whom a license as an officer or county jailer is sought shall select the examining physician and the examining psychologist or psychiatrist. The agency shall prepare a report of each declaration required by Subsection (a) and shall maintain a copy of the report on file in a format readily accessible to the commission. A declaration is not public information.

Act of May 17, 1999, 76th Leg., R.S., ch. 388, § 1, 1999 Tex. Gen. Laws 1431, 2219 (current version at Occ. Code §§ 1701.306(a), (b)). The submitted L-3 forms were created prior to September 1, 2011. Although section 1701.306 of the Occupations Code was amended in 2011 by the 82nd Legislature, L-2 and L-3 declaration forms created prior to September 1, 2011 are subject to the former version of section 1701.306, which was continued in effect for that purpose. *See* Act of May 30, 2011, 82nd Leg., R.S., ch. 1224, § 7. Therefore, the city must withhold the submitted L-3 declaration forms under section 552.101 of the Government Code in conjunction with former section 1701.306 of the Occupations Code.³

²The Texas Commission on Law Enforcement Officer Standards and Education was renamed the Texas Commission on Law Enforcement by the 83rd Legislature. *See* Act of May 6, 2013, 83rd Leg., R.S., ch. 93, § 1.01, 2013 Tex. Gen. Laws 174, 174.

³As our ruling is dispositive for this information, we need not address your remaining argument against its disclosure.

Section 552.101 of the Government Code also encompasses the current version of section 1701.306 of the Occupations Code, which provides in relevant part:

(a) The commission may not issue a license to a person unless the person is examined by:

(1) a licensed psychologist or by a psychiatrist who declares in writing that the person is in satisfactory psychological and emotional health to serve as the type of officer for which a license is sought; and

(2) a licensed physician who declares in writing that the person does not show any trace of drug dependency or illegal drug use after a blood test or other medical test.

(b) An agency hiring a person for whom a license is sought shall select the examining physician and the examining psychologist or psychiatrist. The agency shall prepare a report of each declaration required by Subsection (a) and shall maintain a copy of the report on file in a format readily accessible to the commission. A declaration is not public information.

Occ. Code § 1701.306(a), (b). The submitted L-2 forms were created after September 1, 2011. The city must withhold the submitted L-2 declaration forms under section 552.101 in conjunction with section 1701.306 of the Occupations Code.⁴

In summary, the city must withhold the submitted L-3 forms under section 552.101 of the Government Code in conjunction with former section 1701.306 of the Occupations Code and the submitted L-2 forms under section 552.101 of the Government Code in conjunction with section 1701.306 of the Occupations Code.
