

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

May 23, 2014

Mr. Jose Hernandez
Records Supervisor
Edinburg Police Department
1702 South Closner Boulevard
Edinburg, Texas 78539

OR2014-08888

Dear Mr. Hernandez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 523696 (Edinburg Request Reference No. 62229).

The Edinburg Police Department (the "department") received a request for information pertaining to the department's participation in a specified program, including applications, requests for equipment, and the type and quantity of equipment received. You claim portions of the submitted information are excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(b)(1) of the Government Code excepts from disclosure "[a]n internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution . . . if . . . release of the internal record or notation would interfere with law enforcement or prosecution[.]" Gov't Code § 552.108(b)(1). Section 552.108(b)(1) is intended to protect "information which, if released, would permit private citizens to anticipate weaknesses in a police department, avoid detection, jeopardize officer safety, and generally undermine police efforts to effectuate the laws of this State." *City of Fort Worth v. Cornyn*, 86 S.W.3d 320, 327 (Tex. App.—Austin 2002, no pet.). To prevail on its claim that subsection 552.108(b)(1) excepts information from disclosure, a governmental body must do more than merely make a conclusory assertion that releasing the information would interfere with law enforcement. Instead, the governmental body must meet its burden of explaining how and why release of the requested information would interfere with law enforcement and crime prevention. *See*

Open Records Decision No. 562 at 10 (1990) (construing statutory predecessor). This office has concluded that section 552.108(b) excepts from public disclosure information relating to the security or operation of a law enforcement agency. *See, e.g.*, Open Records Decision Nos. 531 (release of detailed use of force guidelines would unduly interfere with law enforcement), 252 (1980) (section 552.108 of the Government Code is designed to protect investigative techniques and procedures used in law enforcement), 143 (1976) (disclosure of specific operations or specialized equipment directly related to investigation or detection of crime may be excepted). Section 552.108(b)(1) is not applicable, however, to generally known policies and procedures. *See, e.g.*, ORDs 531 at 2-3 (Penal Code provisions, common law rules, and constitutional limitations on use of force not protected), 252 at 3 (governmental body failed to indicate why investigative procedures and techniques requested were any different from those commonly known). Upon review, we find the release of the information you have marked would interfere with law enforcement. Accordingly, the department may withhold the information you have marked under section 552.108(b)(1). As you raise no other exceptions, the department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
