OR2014-09191

Dear Mr. Davis:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 529231.

The Tom Green Sheriff's Office (the "sheriff's office"), which you represent, received a request for information pertaining to a death in custody. You state some responsive information has been released to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by statute. Gov't Code § 552.101. CHRI generated by the National Crime Information Center ("NCIC") or by the Texas Crime Information Center ("TCIC") is confidential. Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual law with respect to CHRI it generates. *Id.* Section 411.083 of the Government Code deems confidential CHRI that the Department of Public Safety ("DPS") maintains, except that the DPS may disseminate this information as provided in chapter 411, subchapter F of the Government Code. *See* Gov't Code § 411.083.

Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice

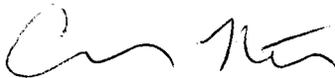

agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090 - .127. Thus, any CHRI generated by the federal government or another state may not be made available to the requestor except in accordance with federal regulations. *See* Open Records Decision No. 565 (1990). Furthermore, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 of the Government Code in conjunction with Government Code chapter 411, subchapter F. However, section 411.083 does not apply to active warrant information or other information relating to one's current involvement with the criminal justice system. *See id.* § 411.081(b) (stating subchapter 411 does not prohibit criminal justice agency from disclosing to public CHRI related to offense for which person is involved in criminal justice system). In addition, CHRI does not include driving record information. *Id.* § 411.082(2)(B).

Upon review, we find the information at issue does not consist of CHRI for purposes of chapter 411 of the Government Code and is therefore not confidential under section 411.083. Consequently, the sheriff's office may not withhold the information from disclosure based on section 552.101 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Cindy Nettles
