Dear Ms. Kostbar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 524276 (HCAD Internal Reference No. 14-1582).

The Harris County Appraisal District (the "district") received a request for the vehicle identification numbers ("VINs") and license plate numbers for a specified account. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. You also state release of this information may implicate the proprietary interests of InfoNation, Inc. ("InfoNation"). Accordingly, you state and provide documentation showing, you have notified InfoNation of the request for information and of its right to submit arguments to this office as to why the requested information should not be released. *See* Gov't Code § 552.305 (permitting interested third party to submit to attorney general reasons why requested information should not be released); Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permitted governmental body to rely on interested third party to raise and explain applicability of exception to disclosure under the circumstances). We have received comments from InfoNation. We have considered the submitted arguments and reviewed the submitted representative sample of information.¹

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

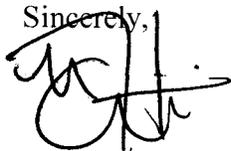

Initially, we note the request only seeks the VINs and license plate numbers for the specified account. Therefore, only the submitted VINs and license plate numbers are responsive to the request for information. Thus, the remaining information is not responsive to the instant request. This ruling does not address the public availability of nonresponsive information, and the district is not required to release nonresponsive information in response to this request.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or a personal identification document issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130(a). Upon review, we find the district must withhold the responsive VINs and license plate numbers under section 552.130 of the Government Code. As our ruling is dispositive, we need not address the remaining arguments against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Thana Hussaini
Assistant Attorney General
