Staff Attorney
Brownsville Independent School District

OR2014-09343

Dear Ms. Ortiz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 524908 (ORR# 7543).

The Brownsville Independent School District (the "district") received a request for the employment application of a named individual. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.103 of the Government Code provides in relevant part as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). The governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular

situation. The test for meeting this burden is a showing that (1) litigation is pending or reasonably anticipated on the date the governmental body received the request for information and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). The governmental body must meet both prongs of this test for information to be excepted from disclosure under section 552.103(a).

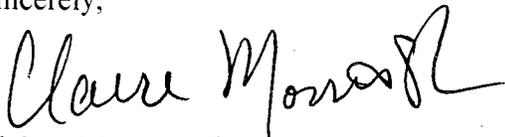

The district states, and provides documentation showing, prior to the district's receipt of the request for information, a lawsuit styled *Lucila B. Longoria v. Brownsville Independent School District*, Cause No. 1:14-CV-00010, was pending against the district in the United States District Court, Southern District of Texas. Therefore, we agree litigation was pending when the district received the request. We also find the district has established the submitted information is related to the pending litigation for purposes of section 552.103(a). Therefore, the district may withhold the submitted information under section 552.103(a) of the Government Code.

However, once the information has been obtained by all parties to the pending litigation, no section 552.103(a) interest exists with respect to that information. Open Records Decision No. 349 at 2 (1982). We also note the applicability of section 552.103(a) ends when the litigation has concluded. Attorney General Opinion MW-575 at 2 (1982); Open Records Decision Nos. 350 at 3 (1982), 349 at 2.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Claire V. Morris Sloan
