

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

June 12, 2014

Mr. James Kopp
Assistant City Attorney
Office of the City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283

OR2014-10114

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 531252 (ORR# W027717).

The City of San Antonio (the "city") received a request for case number 14-078677. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes court-filed documents. Section 552.022(a)(17) of the Government Code provides for required public disclosure of "information that is also contained in a public court record[,]" unless the information is expressly made confidential under the Act or other law. Gov't Code § 552.022(a)(17). The city seeks to withhold the information at issue under section 552.108 of the Government Code. However, this section is a discretionary exception to disclosure that protects a governmental body's interests and does not make information confidential under the Act. *See id.* § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). Therefore, the city may not withhold the court-filed documents, which we have marked, under section 552.108. However, because section 552.130 of the Government Code makes information confidential for purposes of section 552.022, we will address its applicability to

the court-filed document subject to section 522.022(a)(17).¹ Further, we will address the city's arguments against disclosure of the remaining information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. Section 550.065(c)(4) provides for release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute. The submitted information contains a CR-3 Texas Peace Officer's Crash Report. In this instance, the requestor has not provided the city with two of the three pieces of required information pursuant to section 550.065(c)(4). Accordingly, the city must withhold the submitted CR-3 report, which we have marked, under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), 301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information is part of an active investigation. Generally, the release of information pertaining to an open case is presumed to interfere with the criminal investigation. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). We note, however, the information at issue includes a DIC-24 Statutory Warning and a DIC-25 Notice of Suspension. The Statutory Warning and Notice of Suspension have previously been provided to the arrestee. Because copies of these documents have previously been released to the arrestee, we find you have not shown how release of the documents will interfere with the detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). Because the remaining information at issue has not been previously released, we conclude release of this information would interfere with the detection, investigation, or prosecution of crime. Thus, we find section 552.108(a)(1) is applicable to the remaining information at issue.

¹The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body. *See* Open Records Decision No. 481 (1987), 480 (1987), 470 (1987).

However, we note, and you acknowledge, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. See Gov't Code § 552.130. Accordingly, the city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code.

In summary, the city must release the marked court-filed documents pursuant to section 552.022(a)(17) of the Government Code and must release the submitted Statutory Warning and Notice of Suspension; however, in releasing these documents, the city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The city must withhold the marked CR-3 report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code. With the exception of the basic information, which must be released, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
