

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

Ms. S. McClellan  
Assistant City Attorney  
City of Dallas  
1400 South Lamar  
Dallas, Texas 75215

OR2014-10552

Dear Ms. McClellan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 526335 (ORR No. 2014-2968).

The Dallas Police Department (the "department") received a request for information pertaining to a specified address during a specified time period. You claim that the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Initially, we note the requestor specifically excludes the names and identification numbers of undercover officers, Texas identification card numbers, and "compilations of criminal records to the extent they are not indicative of repeat or systematic criminal conduct." Therefore, those types of information are not responsive to the present request for information. This ruling does not address the public availability of any information that is not responsive to the request, and the department need not release such information in response to this request.

Section 552.108(b)(1) of the Government Code excepts from required public disclosure an internal record of a law enforcement agency maintained for internal use in matters relating to law enforcement or prosecution if "release of the internal record or notation would interfere with law enforcement or prosecution." Gov't Code § 552.108(b)(1). A

<sup>1</sup>We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

governmental body claiming section 552.108 must reasonably explain how and why release of the requested information would interfere with law enforcement. *See id.* § 552.301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977); Open Records Decision No. 434 at 2-3 (1986). The department contends release of the submitted information would interfere with law enforcement and crime prevention because it pertains to pending undercover narcotics investigations. Based on this representation and our review, we conclude release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, we agree section 552.108(b)(1) is applicable to the submitted information.<sup>2</sup> Accordingly, the department may withhold the submitted information under section 552.108(b)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Megan G. Holloway
