

ATTORNEY GENERAL OF TEXAS

July 1, 2014

Mr. Charles H. Weir
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283-3966

OR2014-11223

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 528138 (COSA File No. W026713).

The City of San Antonio (the "city") received a request for all records related to case number 13250651, including scene photographs and the 9-1-1 call. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes a custodial death report. Article 49.18(b) of the Code of Criminal Procedure provides that, with the exception of any portion of the custodial death report the Office of the Attorney General ("OAG") determines is privileged, the OAG shall make the report public. *See* Crim. Proc. Code art. 49.18(b). The format of the report was revised in May 2006 and now consists of four pages and an attached summary of how the death occurred. The OAG has determined the four-page report and summary must be released to the public but any other documents submitted with the revised report are confidential under article 49.18(b). Although you claim the submitted custodial death report is excepted from disclosure under section 552.108 of the Government Code, the exceptions to disclosure found in the Act do not generally apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). Therefore, the city must release the submitted custodial death report pursuant to article 49.18(b) of the Code of Criminal Procedure.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See* Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must

demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested).

You state the submitted information relates to a closed criminal investigation that did not result in conviction or deferred adjudication. Based on these representations and our review, we agree section 552.108(a)(2) is applicable to the information at issue.

We note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, the city may withhold the remaining information under section 552.108(a)(2) of the Government Code.

In summary, the custodial death report must be released pursuant to article 49.18(b) of the Code of Criminal Procedure. With the exception of basic information, the city may withhold the remaining information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
