

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

July 15, 2014

Mr. Carey E. Smith
General Counsel
Texas Health and Human Services Commission
P.O. Box 13247
Austin, Texas 78711

OR2014-12180

Dear Mr. Smith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 529107.

The Texas Health and Human Services Commission (the "commission") received a request for information pertaining to the requestor's interview for a specific job vacancy. You state the commission released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.122 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.122 of the Government Code excepts from disclosure "[a] test item developed by a . . . governmental body[.]" Gov't Code § 522.122(b). In Open Records Decision No. 626 (1994), this office determined that the term "test item" in section 552.122 includes "any standard means by which an individual's or group's knowledge or ability in a particular area is evaluated." ORD 626 at 6. The term "test item" does not encompass evaluations of an employee's overall job performance or suitability. *See id.* at 8. The question of whether specific information falls within the scope of section 552.122(b) must be determined on a case-by-case basis. *Id.* at 6. Traditionally, this office has applied section 552.122 where release of test items might compromise the effectiveness of future examinations. *Id.* at 4-5; *see also* Open Records Decision No. 118 (1976). Section 552.122 also protects the answers to test questions when the answers might reveal the questions themselves. *See* Attorney General Opinion JM-640 at 3 (1987); ORD 626 at 8.

You seek to withhold the submitted questions and the requestor's responses to the submitted questions under section 552.122 of the Government Code. You inform us the questions at issue test the knowledge and abilities of an applicant in a particular area. You state the commission uses these questions on a continuing basis during its hiring process. Additionally, you state release of the information at issue would compromise the effectiveness of the commission's interview and hiring process. Based on these representations and our review, we agree some of the questions at issue qualify as test items under section 552.122(b) of the Government Code. We also find the release of the answers to these questions would tend to reveal the questions themselves. Accordingly, the commission may withhold the questions and answers we have marked pursuant to section 552.122(b) of the Government Code. However, we find you have failed to demonstrate how any of the remaining information constitutes a test item under section 552.122(b). Thus, the commission may not withhold any of the remaining information under section 552.122(b) of the Government Code. As you raise no further arguments against disclosure, the commission must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Miriam A. Khalifa
