Office of the City Attorney

Dear Ms. Silver:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 529159.

The City of Dallas (the "city") received a request for information pertaining to the requestor's interview. You inform us you will release some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.122 of the Government Code. We have considered the exception you claim and reviewed the submitted information, which in part consists of a representative sample.¹

Section 552.122(b) of the Government Code excepts from disclosure "a test item developed by a licensing agency or governmental body[.]" Gov't Code § 552.122(b). In Open Records Decision No. 626 (1994), this office determined the term "test item" in section 552.122 includes any standard means by which an individual's or group's knowledge or ability in a particular area is evaluated, but does not encompass evaluations of an employee's overall job performance or suitability. Whether information falls within the section 552.122 exception

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

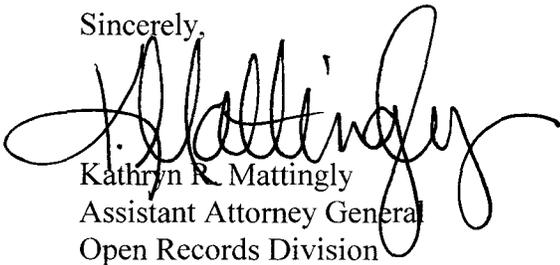

must be determined on a case-by-case basis. ORD 626 at 6. This office has applied section 552.122 where release of "test items" might compromise the effectiveness of future examinations. *See id.* at 4-5; *see also* Open Records Decision No. 118 (1976). Section 552.122 also protects answers to test questions when the answers might reveal the questions themselves. *See* Attorney General Opinion JM-640 at 3 (1987); ORD 626 at 8.

You state Exhibit C consists of the "policy test exercise, operational test exercise and personnel test exercise" used by the city in assessing the city's fire department officer candidates. You inform us Exhibit D consists of the written notes of the candidate, which are collected at the end of the testing process. You inform us the city utilizes the test exercises in Exhibit C to measure the practical capabilities and knowledge of candidates for promotion in the city's fire department. You explain the test exercises are test items that "are re-used verbatim, or with only minor changes, on an on-going basis to provide for consistent evaluations of candidates[.]" You argue release of the written responses to the test exercises will "reveal the subject matter of the test questions[.]" thereby undermining the city's ability to assess candidates in a consistent manner, and compromising the effectiveness of future candidate assessments. Having reviewed the information at issue and your arguments, we find the examination questions given are "test items" for purposes of section 552.122(b) and the written notes reveal the test exercises themselves. Therefore, we conclude the city may withhold the submitted information under section 552.122(b) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
