

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

July 22, 2014

Mr. Allan Meesey  
Associate General Counsel  
Texas Department of Transportation  
125 East 11th Street  
Austin, Texas 78701-2483

OR2014-12623

Dear Mr. Meesey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 530056.

The Texas Department of Transportation (the "department") received a request for information pertaining to tolls, including a named individual's toll information, and information pertaining to Perdue, Brandon, Fielder, Collins & Mott, L.L.P.<sup>1</sup> We understand the department will release some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential, such as section 228.057 of the Transportation Code, which provides in part:

---

<sup>1</sup>We note the department sought and received clarification of the information requested. See Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); see also *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or over-broad request for public information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

(e) Electronic toll collection customer account information, including contact and payment information and trip data, is confidential and not subject to disclosure under Chapter 552, Government Code.

Transp. Code § 228.057(e). The term “customer” is not defined in the Transportation Code. We note “customer” is generally defined as “a buyer, purchaser, consumer, or patron” or “one who regularly or repeatedly makes purchases of, or has business dealings with, a tradesman or business.” BLACK’S LAW DICTIONARY 386 (6th ed. 1990); *see Henderson v. Central Power & Light Co.*, 977 S.W.2d 439, 447 (Tex. App.—Corpus Christi 1998, pet. denied) (quoting same definition from BLACK’S LAW DICTIONARY 348 (5th ed. 1979)); WEBSTER’S THIRD NEW INTERNATIONAL DICTIONARY 559 (2002) (defining “customer” as “one that purchases some commodity or service”).

You state Exhibit B consists of electronic toll collection customer account information and trip data. You state the information at issue pertains to an actual customer that has business dealings with a toll facility and has regularly or repeatedly made purchases from the toll facility. Based on your representations and our review, we find Exhibit B falls within the scope of section 228.057(e). *See* Transp. Code § 228.057(e) (for purposes of Transp. Code § 228.057, “account information” includes contact and payment information and trip data). Thus, we conclude the department must withhold Exhibit B under section 552.101 of the Government Code in conjunction with section 228.057(e) of the Transportation Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
