Re: Request for any and all information on six named individuals including but not limited to case reports, arrest reports, CAD incidents, photos, videos, audio recordings, calls for service, etc. for the time frame of 01/01/2000 to the current date

Dear Ms. Brooks:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 537032 (Midland ID# 14637).

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You claim the requested information may be withheld from the requestor. A request to compile an individual's criminal history implicates this person's privacy. We have concluded such a compilation is highly embarrassing information and is generally not of legitimate concern to the public. Therefore, to the extent you maintain law enforcement records depicting the named individual as a suspect, arrestee, or criminal defendant, you must withhold the requested information under section 552.101 of the Government Code in conjunction with common-law privacy.

For more information on the cited exception, please refer to the open government information on our website at <https://www.oag.state.tx.us/open/memorulings.shtml>. You may also contact our Open Government Hotline at 1-877-OPENTEX.
