Assistant City Attorney
City of Lubbock
P.O. Box 2000

OR2014-12865

Dear Ms. Sims:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 530252.

The City of Lubbock (the "city") received a request for grievances filed by two named officers. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 143.089 of the Local Government Code. We understand the city is a civil service city under chapter 143 of the Local Government Code. Section 143.089 contemplates two different types of personnel files for police officers in a civil service city: a civil service file the civil service director is required to maintain and an internal file the police department may maintain for its own use. Local Gov't Code § 143.089(a), (g). The

¹Although you also raise section 552.108 for the submitted information, you provide no arguments explaining how this exception is applicable to the information at issue. Therefore, we assume you no longer assert this exception. *See* Gov't Code §§ 552.301, .302.

officer's civil service file must contain certain specified items, including commendations, periodic evaluations by the police officer's supervisor, and documents relating to any misconduct in which the department took disciplinary action against the officer under chapter 143 of the Local Government Code. *Id.* § 143.089(a)(1)-(3). Chapter 143 prescribes the following types of disciplinary actions: removal, suspension, demotion, and uncompensated duty. *Id.* §§ 143.051-.055; *see* Attorney General Opinion JC-0257 (2000) (written reprimand is not disciplinary action for purposes of chapter 143 of the Local Government Code).

In cases in which a police department investigates a police officer's misconduct and takes disciplinary action against an officer, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the police officer's civil service file maintained under section 143.089(a). *See Abbott v. City of Corpus Christi*, 109 S.W.3d 113, 122 (Tex. App.—Austin 2003, no pet.). All investigatory materials in a case resulting in disciplinary action are "from the employing department" when they are held by or in possession of the department because of its investigation into a police officer's misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Such records are subject to release under the Act. *See* Local Gov't Code § 143.089(f); Open Records Decision No. 562 at 6 (1990). However, information maintained in a police department's internal file pursuant to section 143.089(g) is confidential and must not be released. *City of San Antonio v. Tex. Attorney Gen.*, 851 S.W.2d 946, 949 (Tex. App.—Austin 1993, writ denied).

We note the information consists of grievances filed against a police officer. You inform us no disciplinary action has resulted from the grievances. You claim the submitted information is excepted from disclosure under section 143.089(g), as information that should be maintained in the city's police department's internal file pursuant to section 143.089(g). Upon review, we agree the submitted information is confidential under section 143.089(g) of the Local Government Code and must be withheld under section 552.101 of the Government Code. *See generally* Attorney General Opinion JC-0257.
