

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

July 25, 2014

Mr. James Kopp
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283

OR2014-12955

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 535931 (file #W028893).

The City of San Antonio (the "city") received a request for information pertaining to a specified incident. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the city's procedural obligations under the Act. Section 552.301 describes the procedural obligations placed on a governmental body that receives a written request for information it wishes to withhold. Pursuant to section 552.301(b), the governmental body must ask for the attorney general's decision and state the exceptions that apply within ten business days after receiving the request. *See* Gov't Code § 552.301(a), (b). In this instance, you state the city received the request for information on June 17, 2014. Accordingly, the city's ten-business-day deadline was July 1, 2014. However, the envelope in which you submitted your request for a decision was meter-marked July 2, 2014. *See id.* § 552.308 (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Consequently, we find the city failed to comply with the requirements of section 552.301 in requesting this decision from our office.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the requirements of section 552.301 results in the legal presumption the requested information is public and must be released unless a compelling reason exists to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); *see also* Open Records Decision No. 630 (1994). Generally, a compelling reason to withhold information exists where some other source of law makes the information confidential or where third party interests are at stake. Open Records Decision No. 150 at 2 (1977). We note section 552.108 of the Government Code is discretionary in nature. This exception serves only to protect a governmental body's interests, and may be waived; as such, it does not constitute a compelling reason to withhold information for purposes of section 552.302. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions in general), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). Thus, no portion of the submitted information may be withheld under section 552.108. However, we note some of the submitted information is subject to section 552.130 of the Government Code.¹ Because section 552.130 of the Government Code can provide a compelling reason to withhold information, we will consider the applicability of this exception to the submitted information.

Section 552.130 of the Government Code exempts from disclosure information that relates to a motor vehicle operator's license or driver's license or a motor vehicle title or registration issued by a Texas agency, or an agency of another state or country. *See* Gov't Code § 552.130(a)(1)-(2). Upon review, we find the city must withhold the motor vehicle record information we have marked under section 552.130 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
