

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

Ms. Elizabeth Hanshaw Winn
Assistant County Attorney
Travis County
P.O. Box 1748
Austin, Texas 78767

OR2014-13061

Dear Ms. Winn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the “Act”), chapter 552 of the Government Code. Your request was assigned ID# 530688.

The Travis County Attorney’s Office, the Travis County Sheriff’s Office, the Travis County Purchasing Office, and a named Travis County judge (collectively, the “county”) each received requests from the same requestor for communications between county attorneys and staff regarding concerns with or complaints against Securus Technologies, Inc. (“Securus”) during a specified period of time.¹ You claim the submitted information is excepted from disclosure under sections 552.103, 552.107, and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.²

¹We note the county sought and received clarification of the information requested. *See* Gov’t Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or over-broad request for public information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

²We assume the “representative sample” of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Section 552.103 of the Government Code provides, in relevant part:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show section 552.103(a) applies in a particular situation. The test for meeting this burden is a showing that (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the requested information is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a). *See* ORD 551 at 4.

You inform us, prior to the county's receipt of the request for information, a lawsuit styled *Austin Lawyers Guild v. Securus Technologies, Inc.*, Cause No. 1:14-cv-366, was pending in the United States District Court, Western District of Texas, Austin Division. You inform us the Travis County Sheriff's Office, Travis County District Attorney's Office, and Travis County Attorney's Office are named as defendants in the case. Based on your representations and our review, we find that litigation to which the county is a party was pending on the date the county received the request. You state, and we agree, the submitted information is related to the litigation. Therefore, the county may withhold the submitted information under section 552.103 of the Government Code.³

We note, however, the purpose of section 552.103 is to enable a governmental body to protect its position in litigation by forcing parties seeking information relating to that litigation to obtain it through discovery procedures. *See* ORD 551 at 4-5. Thus, if the opposing party has seen or had access to information relating to the active litigation through discovery or otherwise, there is no interest in withholding such information from public disclosure under section 552.103. *See* Open Records Decision Nos. 349 (1982), 320

³As our ruling is dispositive, we need not address your remaining arguments against disclosure.

(1982). We also note the applicability of section 552.103 ends once the related litigation concludes. *See* Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Megan G. Holloway
