Mr. Allan Meesey
Associate General Counsel
Texas Department of Transportation

OR2014-13142

Dear Mr. Meesey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 530960.

The Texas Department of Transportation (the "department") received a request for a specified number of images taken by the department's toll cameras. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential, such as section 228.057 of the Transportation Code, which provides in part:

(e) Electronic toll collection customer account information, including contact and payment information and trip data, is confidential and not subject to disclosure under Chapter 552, Government Code.

¹We assume the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Transp. Code § 228.057(e). The term “customer” is not defined in the Transportation Code. We note “customer” is generally defined as “a buyer, purchaser, consumer, or patron” or “one who regularly or repeatedly makes purchases of, or has business dealings with, a tradesman or business.” BLACK’S LAW DICTIONARY 386 (6th ed. 1990); *see Henderson v. Central Power & Light Co.*, 977 S.W.2d 439, 447 (Tex. App.—Corpus Christi 1998, pet. denied) (quoting same definition from BLACK’S LAW DICTIONARY 348 (5th ed. 1979)); WEBSTER’S THIRD NEW INTERNATIONAL DICTIONARY 559 (2002) (defining “customer” as “one that purchases some commodity or service”).

You state the submitted information consists of electronic toll collection customer account information. You state the information at issue pertains to an actual customer that has made purchases from the toll facility. Based on your representations and our review, we find the submitted information falls within the scope of section 228.057(e). *See* Transp. Code § 228.057(e) (for purposes of Transp. Code § 228.057, “account information” includes contact and payment information and trip data). Thus, we conclude the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 228.057(e) of the Transportation Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ²As our ruling is dispositive, we need not address your remaining argument against disclosure of the submitted information.
