Mr. O. Charles Buenger  
Counsel for the City of Hewitt  
Buenger & Associates  
3203 Robinson Drive  
Waco, Texas 76706

OR2014-13212

Dear Mr. Buenger:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 536109 (HPD 14-0426).

The City of Hewitt (the "city"), which you represent, received a request for information pertaining to a specified incident. You state the city will release some of the requested information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note that the information you seek to withhold includes the results of an analysis of a breath specimen. Section 724.018 of the Transportation Code provides that, on the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. Transp. Code § 724.018. As a general rule, the exceptions to disclosure found in the Act do not apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). In this instance, the requestor represents the person who provided the blood specimen at the request of a peace officer. Therefore, the submitted results of the analysis of the blood specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than conviction or

deferred adjudication. Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state the remaining information relates to a concluded case that did not result in a conviction or deferred adjudication. Based on your representations, we conclude section 552.108(a)(2) is applicable to the remaining information.

Section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See* Open Records Decision No. 127 (1976) (summarizing types of information made public by *Houston Chronicle*). Thus, with the exception of basic information, which you state you have released, the city may withhold the remaining information pursuant to section 552.108(a)(2) of the Government Code.

In summary, the submitted results of the analysis of the blood specimen must be released to this requestor pursuant to section 724.018 of the Transportation Code. With the exception of basic information, which you state you have released, the city may withhold the remaining information pursuant to section 552.108(a)(2)
