Dear Ms. Kimeu:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 536234 (HPD ORU No. 14-4186).

You claim the submitted information is excepted from disclosure under sections 552.101 and 552.1085 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, including section 11 of article 49.25 of the Code of Criminal Procedure, which provides as follows:

The medical examiner shall keep full and complete records properly indexed, giving the name if known of every person whose death is investigated, the place where the body was found, the date, the cause and manner of death, and shall issue a death certificate . . . . The records are subject to required public disclosure in accordance with Chapter 552, Government Code, except that a photograph or x-ray of a body taken during an autopsy is excepted from required public disclosure in accordance with Chapter 552, Government Code, but is subject to disclosure:

(1) under a subpoena or authority of other law; or

(2) if the photograph or x-ray is of the body of a person who died while in the custody of law enforcement.

Crim. Proc. Code art. 49.25, § 11. You state the submitted information consists of photographs taken during an autopsy. You also state neither of the statutory exceptions to confidentiality is applicable in this instance. We agree that the department must withhold the submitted photographs depicting the body of a deceased individual under section 552.101 of the Government Code in conjunction with section 11 of article 49.25 of the Code of Criminal Procedure.<sup>1</sup>
