

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

Ms. Cary Grace  
Assistant City Attorney  
City of Austin  
P.O. Box 1088  
Austin, Texas 78767-8828

OR2014-13584

Dear Ms. Grace:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 531610.

The Austin Police Department (the "department") received a request for all records pertaining to a named police officer, including his personnel file, internal affairs folder, evaluations, and training records. You state you have released the named officer's civil service file to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.<sup>1</sup> We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>2</sup>

Initially, we note the submitted information contains a police officer's Texas Commission on Law Enforcement ("TCOLE") identification number. In Open Records Decision No. 581

---

<sup>1</sup>We note, and you acknowledge, the department failed to comply with the procedural requirements of section 552.301 of the Government Code in requesting a decision from this office. *See* Gov't Code § 552.301(b) (requiring governmental body to ask for ruling and state exceptions that apply within ten business days of receiving written request), (e) (requiring governmental body to submit within fifteen business days of receiving request for information comments explaining applicability of raised exceptions, copy of request for information, signed statement of date governmental body received request or evidence sufficient to establish date, and copy of information governmental body seeks to withhold or representative samples). Nonetheless, section 552.101 is a mandatory exception that can provide a compelling reason to overcome the presumption of openness caused by failure to comply with section 552.301. *See id.* §§ 552.007, .302. Thus, we will address the applicability of this exception to the submitted information, notwithstanding the department's violation of section 552.301 in requesting this decision.

<sup>2</sup>We assume the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand the officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in the commissioner's electronic database and may be used as an access device number on the TCOLE website. Accordingly, we find the TCOLE number in the submitted information does not constitute public information under section 552.002 of the Government Code. Therefore, the TCOLE number in the submitted information is not subject to the Act and need not be released to the requestor.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 143.089 of the Local Government Code. You state the City of Austin is a civil service city under chapter 143 of the Local Government Code. Section 143.089 provides for the maintenance of two different types of personnel files for each police officer employed by a civil service city: one that must be maintained as part of the officer's civil service file and another that the police department may maintain for its own internal use. *See* Local Gov't Code § 143.089(a), (g). Under section 143.089(a), the officer's civil service file must contain certain specified items, including commendations, periodic evaluations by the police officer's supervisor, and documents relating to any misconduct in any instance in which the department took disciplinary action against the officer under chapter 143 of the Local Government Code. *Id.* § 143.089(a)(1)-(3). Chapter 143 prescribes the following types of disciplinary actions: removal, suspension, demotion, and uncompensated duty. *Id.* §§ 143.051-.055; *see* Attorney General Opinion JC-0257 (2000) (written reprimand is not disciplinary action for purposes of Local Gov't Code chapter 143). In cases in which a police department investigates a police officer's misconduct and takes disciplinary action against an officer, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the police officer's civil service file maintained under section 143.089(a). *See Abbott v. Corpus Christi*, 109 S.W.3d 113, 122 (Tex. App.—Austin 2003, no pet.).

All investigatory materials in a case resulting in disciplinary action are "from the employing department" when they are held by or are in the possession of the department because of its investigation into a police officer's misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Such records may not be withheld under section 552.101 of the Government Code in conjunction with section 143.089 of the Local Government Code. *See* Local Gov't Code § 143.089(f); Open Records Decision No. 562 at 6 (1990). Information relating to alleged misconduct or disciplinary action taken must be removed from the police officer's civil service file if the police department determines that there is insufficient evidence to sustain the charge of

misconduct or that the disciplinary action was taken without just cause. *See* Local Gov't Code § 143.089(b)-(c).

Section 143.089(g) authorizes a police department to maintain, for its own use, a separate and independent internal personnel file relating to a police officer. *See id.* § 143.089(g). Section 143.089(g) provides as follows:

A fire or police department may maintain a personnel file on a fire fighter or police officer employed by the department for the department's use, but the department may not release any information contained in the department file to any agency or person requesting information relating to a fire fighter or police officer. The department shall refer to the director or the director's designee a person or agency that requests information that is maintained in the fire fighter's or police officer's personnel file.

*Id.* § 143.089(g). In *City of San Antonio v. Texas Attorney General*, 851 S.W.2d 946 (Tex. App.—Austin 1993, writ denied), the court addressed a request for information contained in a police officer's personnel file maintained by the police department for its use and the applicability of section 143.089(g) to that file. The records included in the departmental personnel file related to complaints against the police officer for which no disciplinary action was taken. The court determined section 143.089(g) made these records confidential. *See City of San Antonio*, 851 S.W.2d at 949; *see also City of San Antonio v. San Antonio Express-News*, 47 S.W.3d 556 (Tex. App.—San Antonio 2000, pet. denied) (restricting confidentiality under Local Gov't Code § 143.089(g) to "information reasonably related to a police officer's or fire fighter's employment relationship"); Attorney General Opinion JC-0257 at 6-7 (addressing functions of Local Gov't Code § 143.089(a) and (g) files).

You state the submitted information is contained within the department's internal files maintained pursuant to section 143.089(g) of the Local Government Code. Based on your representation and our review, we find the submitted information is confidential under section 143.089(g) of the Local Government Code. Therefore, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 143.089(g) of the Local Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
