Ms. Susan Fillion  
Assistant County Attorney  
Harris County  
1200 Baker Street, 2<sup>nd</sup> Floor  
Houston, Texas 77002-1206

OR2014-14440

Dear Ms. Fillion:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 538458 (HCSO File No. 14S060083).

The Harris County Sheriff's Office (the "sheriff's office") received a request for a specified incident report. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes the breath test results of an arrestee's blood alcohol content. Full information concerning the analysis of the specimen must be made available upon the request of the person who has given the specimen at the request of a peace officer. *See* Transp. Code § 724.018. Here, the requestor is the individual who submitted the specimen. You seek to withhold this information under section 552.108 of the Government Code. As a general rule, the exceptions to disclosure found in the Act do not apply to information other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). Thus, the sheriff's office must release the breath test results to this requestor pursuant to section 724.018 of the Transportation Code.

Section 552.108(a) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection,

investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the information at issue would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). We note the remaining information includes a DIC-24 statutory warning and a DIC-25 notice of suspension, which we have marked. Because the sheriff’s office provided copies of these forms to the arrestee, we find their release will not interfere with the detection, investigation, or prosecution of crime. Therefore, the sheriff’s office may not withhold the marked DIC-24 statutory warning and DIC-25 notice of suspension under section 552.108(a)(1). The sheriff’s office states the remaining information relates to a pending criminal investigation. Based on this representation, we conclude the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177, 186-87 (Tex. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of the marked DIC-24 statutory warning, the marked DIC-25 notice of suspension, and basic information, the sheriff’s office may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the sheriff’s office must release the submitted breath test results pursuant to section 724.018 of the Transportation Code. With the exception of the marked DIC-24 statutory warning, the marked DIC-25 notice of suspension, and basic information, which the sheriff’s office must also release, the sheriff’s office may withhold the remaining information under section 552.108(a)(1) of the Government Code.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

<sup>1</sup>We note the information being released contains the requestor’s driver’s license number, which is subject to section 552.130 of the Government Code. The requestor has a right of access to this information pursuant to section 552.023 of the Government Code. *See* Gov’t Code § 552.023(a) (person or person’s authorized representative has special right of access to information held by governmental body that relates to person and that is protected from public disclosure by laws intended to protect person’s privacy interests); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning himself).
