

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

August 22, 2014

Mr. James Kopp
Assistant City Attorney
Office of the City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283-3966

OR2014-14864

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 533547 (COSA File Nos. W028458, W028461, W028462, & W028463).

The City of San Antonio (the "city") received four requests from the same requestor for the citation records for a named police officer for a specified time period and specified information pertaining to a specified patrol car and radar unit. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have only submitted the requested citation records. We assume, to the extent any information responsive to the remainder of the request existed on the date the city received the request, the city has released it. If the city has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.006, .301, .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.103 of the Government Code provides, in relevant part:

- (a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the

state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show section 552.103(a) applies in a particular situation. The test for meeting this burden is a showing that (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the requested information is related to that litigation. *See Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a). *See* ORD 551 at 4.

The city contends the submitted information is related to pending criminal litigation. However, the city does not inform us whether it is a party to the pending criminal litigation. Therefore, we find the city has not demonstrated it has a litigation interest in the matter for purposes of section 552.103. *See* Gov't Code § 552.103(a); Open Records Decision No. 575 at 2 (1990). In such a situation, we require an affirmative representation from the governmental body with the litigation interest that the governmental body wants the information at issue withheld from disclosure under section 552.103(a). However, the city has not provided this office with an affirmative representation from a governmental body with a litigation interest explaining that it seeks to withhold the information at issue pursuant to section 552.103(a). Therefore, the city may not withhold the submitted information under section 552.103(a) of the Government Code.

We note the submitted information contains information subject to section 552.130 of the Government Code, which provides information relating to a motor vehicle operator's or driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.¹ Gov't Code § 552.130(a). Upon review, we find the city must withhold the motor vehicle

record information we have marked under section 552.130 of the Government Code. As you raise no other exceptions to disclosure, the city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
