

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

August 27, 2014

Mr. James Kopp
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283

OR2014-15111

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 534988 (COSA File No. W028674).

The City of San Antonio (the "city") received a request for twenty-one categories of information pertaining to a specified incident. You claim the requested information is excepted from disclosure under sections 552.101 through 552.154 of the Government Code. We have considered the exceptions you claim.

Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Section 552.301(b) requires that a governmental body ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. Gov't Code § 552.301(b). Section 552.301(e) requires the governmental body to submit to the attorney general, not later than the fifteenth business day after the date of the receipt of the request: (1) written comments stating why the governmental body's claimed exceptions apply to the information that it seeks to withhold; (2) a copy of the written request for information; (3) a signed statement of the date on which the governmental body received the request or evidence sufficient to establish that date; and (4) the specific information that the governmental body seeks to withhold or representative samples if the information is voluminous. *Id.* § 552.301(e)(1). You state the city received

the present request for information on June 10, 2014. Because you do not inform this office the city was closed for business any of the days at issue, we find the city's ten- and fifteen-business-day deadlines were June 24, 2014, and July 1, 2014, respectively. However, the envelope in which you provided the information required by section 552.301(b) was meter-marked June 25, 2014. *See id.* § 552.308 (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Furthermore, as of the date of this letter, you have not submitted to this office comments explaining why the stated exceptions apply, nor have you submitted a copy or representative sample of the information requested. Consequently, we find the city failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the information is public and must be released unless the governmental body overcomes this presumption by demonstrating a compelling reason to withhold the information. *Id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness pursuant to statutory predecessor to section 552.302); Open Records Decision No. 630 (1994). A compelling reason generally exists when information is confidential by law or third-party interests are at stake. *See* Open Records Decision Nos. 630 at 3, 325 at 2 (1982). Because the city has failed to comply with the requirements of the Act, the city has waived all of its claimed discretionary exceptions to disclosure. *See* Open Records Decision No. 663 at 5 (1999) (untimely request for decision resulted in waiver of discretionary exceptions). Although the city also raises mandatory exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure or confidential by law. Thus, we have no choice but to order the requested information released to the requestor pursuant to section 552.302 of the Government Code. If you believe the information is confidential and may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
