OR2014-15129

Dear Mr. Rammel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 539243.

The Hutto Police Department (the "department"), which you represent, received a request for records regarding the requestor's arrest. You state the department is releasing some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes the breath test results of an arrestee's blood alcohol content. Full information concerning the analysis of the specimen must be made available upon the request of the person who has given the specimen at the request of a peace officer. *See* Transp. Code § 724.018. Here, the requestor is the individual who submitted the specimen. You seek to withhold this information under section 552.108 of the Government Code. As a general rule, the exceptions to disclosure found in the Act do not apply to information other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). Thus, the department must release the breath test results to this requestor.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the

requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

You state the submitted information relates to a pending criminal case. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Based on this representation and our review, we find the department has demonstrated release of the information would interfere with the detection, investigation, or prosecution of crime.

However, as you acknowledge, section 552.108 does not except from disclosure basic information about a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186–87; Open Records Decision No. 127 (1976) (summarizing types of information deemed to be public). Thus, with the exception of the basic information, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the department must release the submitted breath test results pursuant to section 724.018 of the Transportation Code. With the exception of the basic information, which must be released, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
