Texas Department of Insurance

OR2014-15665

Dear Mr. Harris:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 536747 (TDI # 152464).

The Texas Department of Insurance (the "department") received a request for information pertaining to a specified case. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes, such as section 36.252 of the Insurance Code, which provides the following:

- (a) Information or material acquired by the department that is relevant to an investigation is not a public record for the period that the department determines is relevant to further or complete an investigation.
- (b) Investigation files are not open records for purposes of [the Act], except as specified herein.

Ins. Code § 36.252. Section 36.251 of the Insurance Code states "investigation file"

means any information collected, assembled, or maintained by or on behalf of the department with respect to an investigation conducted under this code

or other law. The term does not include information or material acquired by the department that is:

- (1) relevant to an investigation by the insurance fraud unit; and
- (2) subject to Section 701.151 [of the Insurance Code].

Id. § 36.251. You state the submitted information is part of a case file pertaining to a pending investigation by the department's enforcement section. You do not indicate the information at issue is relevant to an investigation by the department's insurance fraud unit. Accordingly, based on your representations and our review, we find the submitted information is confidential under section 36.252 of the Insurance Code and must be withheld under section 552.101 of the Government Code until such time the department determines the submitted information is no longer relevant to further or complete its investigation.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
