Mr. Matthew C. G. Boyle

Dear Mr. Boyle:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 536042.

The Colleyville Police Department (the "department"), which you represent, received a request for information pertaining to a specified arrest. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, you inform us the requested information was the subject of previous requests for information, in response to which this office issued Open Records Letter No. 2014-07333 (2014). In Open Records Letter No. 2014-07333, we concluded, with the exception of the certain information that must be withheld under section 552.130 of the Government Code, the department must release certain information under section 552.022(a)(17) of the Government Code and, with the exception of basic information, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code. You inform us the law, facts, and circumstances on which the prior ruling was based have not changed. Accordingly, for the requested information that is identical to the information previously requested and ruled upon by this office, we conclude the department may continue to rely on Open Records Letter No. 2014-07333 as a previous determination and withhold

or release the identical information in accordance with that ruling.¹ *See* Open Records Decision No. 673 (2001) (so long as law, facts, and circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes information is or is not excepted from disclosure).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Paige Thompson
Assistant Attorney General
