Mr. James Kopp  
Assistant City Attorney  
Office of the City Attorney  
City of San Antonio  
P.O. Box 839966  
San Antonio, Texas 78283

OR2014-15870

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 535570 (COSA File No. W028980).

The City of San Antonio (the "city") received a request for information related to an accident involving named individuals. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes a CR-3 crash report that was completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) of the Transportation Code states that except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *See id.* § 550.065(b). Section 550.065(c)(4) provides for the release of an accident report to a person who provides two of the following three items of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *See id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has provided the city with the required information pursuant to section 550.065(c)(4). Although you seek to withhold this information under section 552.103 of the Government Code, we note a

statutory right of access generally prevails over the exceptions to public disclosure under the Act. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Therefore, the crash report we have marked must be released to this requestor in its entirety pursuant to section 550.065(c)(4) of the Transportation Code.

We note the remaining information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov't Code § 552.022(a)(1). The remaining information is part of a completed investigation subject to subsection 552.022(a)(1). The city must release this information pursuant to subsection 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or is made confidential under the Act or other law. *See id.* You seek to withhold the information subject to subsection 552.022(a)(1) under section 552.103. However, section 552.103 is a discretionary exception and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Accordingly, the city may not withhold the remaining information under section 552.103. However, because sections 552.117 and 552.130 of the Government Code make information confidential under the Act, we will address the applicability of these exceptions.<sup>1</sup>

Section 552.117 of the Government Code excepts from disclosure the home addresses and telephone numbers, emergency contact information, social security numbers, and family member information of current or former officials or employees of a governmental body who request this information be kept confidential under section 552.024 of the Government Code. Gov't Code § 552.117(a)(1). Whether a particular piece of information is protected by section 552.117 must be determined at the time the request for it is made. *See* Open Records Decision No. 530 at 5 (1989). Therefore, the city may only withhold information under

<sup>1</sup>The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

section 552.117 on behalf of current or former officials or employees who made a request for confidentiality under section 552.024 prior to the date on which the request for this information was made. Accordingly, to the extent the employee whose information is at issue timely elected to keep such information confidential under section 552.024, the city must withhold the information we have marked under subsection 552.117(a)(1) of the Government Code. If the employee did not make a timely election under section 552.024, the city may not withhold this information under section 552.117(a)(1) of the Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130(a)(1). Accordingly, the city must withhold the motor vehicle information we have marked under section 552.130 of the Government Code.

In summary, the crash report we have marked must be released to the requestor pursuant to section 550.065(c)(4) of the Transportation Code. If the individual whose information is at issue timely requested confidentiality under section 552.024 of the Government Code, the city must withhold the information we marked under section 552.117(a)(1) of the Government Code. The city must withhold the motor vehicle information we have marked under section 552.130 of the Government Code. The remaining information must be released.
