Ms. Stacey L. McLarty
Assistant Commissioner and General Counsel
Texas Credit Union Department
914 East Anderson Lane
Austin, Texas 78752-1699

OR2014-16477

Dear Ms. McLarty:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 537533.

The Texas Credit Union Department (the "department") received a request for all enforcement actions taken by the department over a specified time period.¹ You state the department does not maintain information responsive to portions of the request.² You claim the submitted information is excepted from disclosure under sections 552.101 and 552.112

¹You state the department sought and received clarification of the information requested. See Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); see also *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

²The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. See *Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

of the Government Code.³ We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information made confidential by other statutes. You assert the submitted information is confidential pursuant to section 126.002 of the Finance Code, which provides, in relevant part:

(a) Except as provided by Subsections (b) and (c), information obtained directly or indirectly by the department in any manner, including by application or examination, concerning the financial condition or business affairs of a credit union and the files and records of the department relating to that information, except a statement intended for publication, are confidential.

(b) Confidential information may not be disclosed to a member of the [credit union] commission, and a member of the commission may not be given access to the files or records of the department, except that the [credit union] commissioner may disclose to the commission information, files, and records pertinent to a hearing or matter pending before the commission or the commissioner.

(c) The commissioner may disclose the information described by Subsection (a) to a law enforcement agency, a share insuring organization, or another department, agency, or instrumentality of this state, another state, or the United States if the commissioner determines that disclosure is necessary or proper to enforce the laws of this state applicable to credit unions.

Fin. Code § 126.002(a)-(c). You state the submitted information was compiled by the department from information obtained, both directly and indirectly, during the examination process. You state this information concerns the financial condition and business affairs of credit unions. Further, you state the release provisions in subsections 126.002(b) and (c) are not applicable in this instance. *See id.* § 126.002(b)-(c). Therefore, based on your representations and our review, we conclude the submitted information is confidential pursuant to subsection 126.002(a) of the Finance Code and must be withheld under section 552.101 of the Government Code.⁴

³Although you also raise section 552.111 of the Government Code, you make no arguments to support this exception. Therefore, we assume you have withdrawn your claim that this section applies to the submitted information. *See* Gov’t Code §§ 552.301, .302.

⁴As our ruling is dispositive, we need not address your remaining arguments against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
