

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

September 19, 2014

Mr. Michael L. Garza
Assistant District Attorney
Hidalgo County Criminal District Attorney's Office
100 North Closner Boulevard, Room 303
Edinburg, Texas 78539

OR2014-16687

Dear Mr. Garza:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 538500 (Hidalgo County ID# 2014-0097-DA).

The Hidalgo County Sheriff's Office (the "sheriff's office") received a request for all 9-1-1 calls, CAD or CFS reports, incident or offense reports, photographs, dashboard camera videos, and any reports generated by animal control officers related to a specified incident. You state the sheriff's office does not have information responsive to the portion of the request seeking reports generated by animal control officers.¹ You further state the sheriff's office has released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

¹The Act does not require a governmental body to release information that did not exist when it received a request or to create responsive information. *See Economic Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 555 at 1 (1990), 452 at 3 (1986), 362 at 2 (1983).

²We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See Open Records Decision Nos. 499 (1988), 497 (1988)*. This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."³ Gov't Code § 552.101. This section encompasses information made confidential by other statutes, such as section 261.201(a) of the Family Code, which provides, in relevant part:

(a) [T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the submitted information consists of files, reports, records, communications, audiotapes, videotapes, or working papers used or developed in an investigation under chapter 261 of the Family Code. *See id.* § 261.001(1), (4) (defining "abuse" and "neglect" for purposes of Family Code chapter 261); *see also id.* § 101.003(a) (defining "child" for purposes of section 261.201). Accordingly, we find this information is confidential under section 261.201(a) of the Family Code. You have not indicated the sheriff's office has adopted a rule that governs the release of this type of information; therefore, we assume no such regulation exists. Given that assumption, we conclude the sheriff's office must withhold the submitted information in its entirety under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code.⁴ *See* Open Records Decision No. 440 at 2 (1986) (addressing predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ³The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470(1987).
